

Here to help you make smart storage product selections

As we haven't heard from you in a while, we thought we'd get in touch to let you know how Action Storage can help your business in the run up to Christmas.

Whilst times are tight in many sectors, organisations of all types will always require lockers, shelving and storage equipment. And Action Storage provides services to help you tap into that demand, as well as the products themselves.

Whether it's advice on which items to stock, arranging deliveries at short notice or technical support in getting equipment installed safely, Action Storage are here to help.

Making smart product choices

With so many different lockers, shelves and storage combinations to choose from, we can appreciate how bewildering picking out the right stock can be.

In a fast moving industry, you need to know the answers to questions such as:

- Are more schools starting to install cycle shelters?
- Which lockers are popular with leisure centres?
- What types of shelving are best for high street retailers?

This is why our friendly, knowledgeable sales and customer support teams are always available to offer you advice and insight on which items to stock. They can advise you on which shelves are popular with clothes shops, the best locker combinations and which products are likely to be in demand.

So please can call or email us at anytime because we want to assist you in choosing the best storage products and making the maximum profit.

The latest lockers and shelving at the best prices

We understand how important it is to be able to offer your customers the most innovative, modern and high quality products. So we're constantly expanding our range to include the latest storage systems, and at the best prices.

You can easily search through the entire product range on our regularly updated website, where you'll also find detailed descriptions and customer reviews to help your buying decisions. Additional features on the site include being able to register for updates on our latest special offers and ordering our free colour catalogue.

We appreciate how times are tough for everyone at the moment, and we want to do what we can to help you through this difficult period. So you can be assured that we're constantly monitoring our prices to ensure they're as competitive as possible, and enabling you to make savings wherever you can.

Never lose a customer with our super fast delivery service

Thanks to our large Milton Keynes based warehouse, we can offer super fast 5-7 day deliveries on all stock items. So should you receive an urgent order for 100 staff lockers for your local hospital there's no need to panic, because we can get them delivered quickly and keep your customers happy.

We can help you in other ways too.

Should you need assistance fitting out a shop, warehouse or any storage area, we can send our installation team to ensure lockers, shelving and other storage equipment is assembled safely and securely.

And if your customers ever need advice on maximising their storage space, we can help with that as well. Our design service team can visit their premises to draw up plans and offer recommendations on making the best use of their storage area, which can often result in cost savings for the customer.

When can you visit?

Our showroom doors are always open for when you'd like to visit us in Milton Keynes and test some of our lockers for yourself. And whilst you're here, we'd love to discuss how we can help you in the future.

Whether it's advice on choosing the best lockers and shelving, getting additional stock at short notice or help getting equipment installed, remember that there are many ways in which Action Storage can help your business succeed.
