Dear Coach,

Spellbinding. Spectacular. Humbling. There’s no end of superlatives to describe FC Barcelona at their magnificent best. Over the last four years FC Barcelona has won over a dozen major championships and counting, including multiple La Liga titles, Copa del Reys, The Champions League and FIFA World Club Championships. In 2009 they won *every* title they competed for, making them the only team *ever* to achieve the Sextuple. If there’s any team coaches around the world want to emulate, it’s FC Barcelona.

But where does this unprecedented success come from?

Yes it’s true, FC Barcelona’s roll call of star names has a lot to do with it. When you have names like Lionel Messi, Xavi Hernandez, Andres Iniesta, Gerard Pique and others on your team sheet you are always going to be confident of victory every time you step on the field.

**But no team is successful without the right tactics and style of play.**

The biggest reason for FC Barcelona’s incredible success is the philosophy, team culture and skills development instilled by its manager – Pep Guardiola. Guardiola’s ‘Tika-taka’ style of play is the envy of managers and coaches all over the world. After every scintillating display, managers,
