

“Discover the Secrets of Hypnotherapy and How to Launch a Successful and Highly Profitable Hypnotherapy Business”

The mysteries of hypnotherapy are revealed in this special eBook by renowned stage hypnotist and expert hypnotherapist Jonathan Royle. *The Secrets of Hypnotherapy & Complete Mind Therapy* tells you everything you need to know on how to get started in the fascinating world of mind medicine and start your own hypnotherapy business

Have you ever wanted to know how hypnotherapy works? How it can be used to cure phobias, addictions and other unhelpful thoughts and feelings? Or maybe you'd like to start earning a part-time or fulltime income as a hypnotherapist?

Most people think hypnotherapists just swing a watch, chant a few commands and then snap their fingers. It's actually much more complicated than that. But whilst complicated, it's actually very easy to learn. Whether you're a novice or an experienced professional, this unique eBook will open your eyes, and your mind, to the secrets of this highly effective form of psychotherapy.

Every year hypnotherapy helps thousands of people to give up smoking, to lose weight, to reduce their stress levels and to address personal issues. In fact, hypnotherapy can even help to boost confidence and to overcome depression. It's no wonder hypnotherapists are in high demand for treating mental blocks normal medicine can't reach.

Now you can discover how to practice hypnotherapy for yourself in *The Secrets of Hypnotherapy & Complete Mind Therapy*. This special eBook reveals everything you've ever wanted to know on this highly effective form of medicine for the mind. What's more, it explains how to start a hypnotherapy business treating phobias, addictions and more.

Earn up to £100 per session helping people to overcome addictions and phobias

The Secrets of Hypnotherapy & Complete Mind Therapy is much more than a simple guide to this highly effective form of psychotherapy. In fact, it provides a complete training course, based on Jonathan Royle's sell out hypnotherapy training seminars, which received rave reviews in the hypnotherapy press.

Hypnotherapy can be a very rewarding career. It's very fulfilling making a real difference to people's lives and freeing them from uncomfortable personal issues.

It's also an excellent lifestyle choice. You get to be your own boss, to choose your own hours and be in control of your own career. What's more, you can wave goodbye to the daily commute as you don't even need an office. In fact, you can run the entire business from your own home or visit clients at theirs. So there are virtually no startup costs.

With demand outstripping supply, hypnotherapy is also well paid. You can expect to earn between £45 and £100 per session, with an average salary of £38,347 a year (Barclays Salary Survey 2009). This is the equivalent of a manager's salary for a career you can start without any official qualifications or a fancy degree.

Discover everything you need to know for a fraction of a hypnotherapy course

Sounds great, doesn't it? But there's one drawback: training to become a hypnotherapist can be expensive. Seven day intensive courses can set you back close to £900, while a year long course, combining home study and class work, can be close to £1500. You also have to add on the cost of attending classes and taking time off to complete assignments.

Thankfully, *The Secrets of Hypnotherapy & Complete Mind Therapy* provides a practical alternative that's kinder to your wallet. Its 300+ pages are packed with study materials, information and industry secrets at a fraction of the price of a live course. The topics covered include:

- The verbal, physical and reverse psychology that makes hypnotherapy effective
- How to perform inductions and deepen the trance state
- In-depth guidance on the different induction methods, such as counting, fixed gaze and visualisation
- The eight negative states of mind and how to help patients overcome them
- Complete hypnotherapy scripts to help patients stop smoking, to lose weight, to cure skin problems, build confidence and more
- How to profit from the highly lucrative demand for stress relief and motivational training
- A guide to fast phobia treatment known as Neuro Associative Conditioning (NAC)
- Jonathan Royle's unique complete Mind Therapy Session Structure for treating most problems within one hour
- All the legal information you need for starting a hypnotherapy business
- How to grow your business and income successfully

As you can see, everything is covered, from inducing patients into a trance state to issuing the right commands to getting your business offer the ground. You even get a certificate to mount on your wall to prove you've learned from a hypnotherapy master.

Learn from a hypnotherapist trusted by sports stars and big brands

The author of *The Secrets of Hypnotherapy & Complete Mind Therapy*, Jonathan Royle, is one of Britain's most renowned stage hypnotists. Dubbed 'the new Uri Geller and Doris Stokes rolled into one' by *Psychic News*, Royle has performed hypnotism shows all over the world and launched a best selling series of DVDs.

Along with being an accomplished stage performer, Royle is a highly experienced hypnotherapist. He first started practicing hypnotherapy in 1989, and has since helped hundreds of people to lose weight, to stop smoking, to gain confidence and to overcome crippling personal issues.

His client list extends to the rich and famous, featuring a roll call of sporting icons, celebrities and film stars. Royle also runs psychological courses, stress management classes and self improvement seminars for a long list of corporate clients, including MENSA, Boots, Littlewoods, Hilton Hotels and Debenhams.

WHAT RECENT CUSTOMERS HAVE SAID

"I have trained in NLP and Hypnosis with other professionals, but found this course invaluable. It gives a great deal of information and is written in an open, honest and easy to read manner, Jonathan keeps nothing back. I highly recommend this to anyone interested in hypnotherapy or stage hypnotism, no matter whether you are a beginner or an expert!"

MATT CAULFIELD

NLP Trainer, Hypnotherapist and founder of The Birmingham NLP Training Academy

"I can wholeheartedly recommend the courses. They are brilliantly researched, analysed and presented for both the beginner and established professional. They contain all the information that is required to become a master hypnotist and are presented in a simple, clear and easy to absorb format. Nothing is left out. They are a fountain of knowledge on the subject. If hypnotism is your chosen area of interest..look no further"

JAMES BRANDON – MASTER ILLUSIONIST

"The course was better than Brilliant! You can quote me on that, or if ever you would like me to speak to any potential clients I would always speak very highly of you and your training materials!"

ANTHONY SMITH –LONDON

"The courses and products were overall very informative, interesting and well worth the money. Jonathan is without doubt, an extremely effective tutor. I am sure that the organisation will grow and continue to grow for many years!"

JAMES SMART – SCOTLAND

"The Complete Mind Therapy Structure as explained on the Secrets of Professional Hypnotherapy video is indeed very unique, in that it incorporates the most effective elements of every part of the course."

JOHN KAY – NORTHUMBERLAND

"I am a Professional Hypnotherapist & Stage Hypnotist of considerable success and was taught the secrets of my craft by Jonathan Royle. Need I say more?"

CHRIS LEE – HALIFAX

"Thanks for the training which was excellent value for money and has provided me with a career for life which I enjoy immensely!"

BILL GRAHAM – ESSEX

"I did your course in September 1999 in my real name of Kevin Washbourne, I learnt a lot from it and am now a busy working Stage Hypnotist as a result."

KEVIN STARR – NEWCASTLE

"I have read your course and whilst I think the techniques you teach would be more suited to the European performer I would certainly advise other students of Hypnosis to check your courses out for sure!"

DR. MIKE STOWYER – AMERICA

"Having purchased and read your hypnotic courses, I believe that the educational content was very good and that you have managed to simplify and easily explain all the basic truths regarding Hypnotism. I feel they were all well worth the money and time to study them!"

BRIAN FOLEY – ENGLAND

"I thought that the Hypnotic course that you sent me was an excellent purchase and I would strongly recommend it to any new or established Hypnotists. I found it informal, easy to understand, enjoyable to study and above all highly informative."

GARY WILSON – ENGLAND

"The course was fun, highly informative and well worth the investment, my hypnotic induction skills are now super fast and my confidence has soared to new heights!"

STEVE MACDONALD – LONDON

"The only regret I have about buying Jonathan Royle's Compilation CD-ROM for £177-00 UK Sterling, is that I did not do it sooner! If I had got this earlier in my career I would now be a far more powerful and richer Hypnotist! The price he charges (£177) for this Compilation CD-ROM is way too low, he should charge \$800 or more, I would. Bottom line is his stuff is hot and very good, you will never regret buying any Jonathan Royle training products!"

THESSALONIA DE PRINCE – AMERICA

"Having studied the training materials which accompany your courses, it is now my great pleasure to make you an honouree member of The South African Association of Hypnotists and a life member of The South African Academy of Hypnosis! This is your just reward for all the work you have put into Hypnosis, you have been acknowledged, elevated and exalted! This is indeed a wonderful time for the art of Hypnosis!"

MR MAX KAAAN – SOUTH AFRICA

"I just have to tell you this, big time congratulations! As an NLP Hypnotherapist Master Practitioner I can't help myself from telling you how much fun I have had reading & studying your courses and your congruence surprised me! I can perfectly tell you that I am very happy that you have delivered what you promised, very insightful and entertaining, the best money I ever spent on Hypnotic training products & courses!"

SAN PICCIARELLI –EUROPE

"Just a short note to say how much Andrew and myself enjoyed our training day with you! The day was great fun and very comprehensive, and having read through the course handouts and post course materials I have been amazed at the depth of coverage you have included. We both now feel more confident and more informed as a result of attending the course. We enjoyed your style of training, highly recommended – it was a truly great learning experience"

PAUL BIRD – CHESHIRE

"Royle's CD-ROM Compilation of all his books is excellent, it's full of all sorts of insights and secrets from the world's of both Hypnotherapy & Stage-Hypnosis. Indeed these countless insights are such that only a professional of many years practical experience such as Jonathan Royle would be able to impart them to the reader so clearly as he does in his texts!"
